Re: Election Day Notice – November 3, 2026, and reduced hours – November 4, 2026

Tuesday, November 3, 2026, is Election Day. The County Recorder's Office and Elections Office are a combined department, and we anticipate being particularly busy with election-related activities throughout the day.

If your recording business can be postponed until Wednesday, November 4, we would greatly appreciate your flexibility. Reducing non-election-related business on Election Day will help us manage the increased activity and keep election operations running smoothly.

Please also be advised that the Calaveras County Clerk-Recorder's Office will open from **9:00 a.m. to 3:00 p.m. on Wednesday, November 4, 2026.**

If you have any questions or concerns, please contact the Calaveras County Clerk-Recorder's Office at (209) 754-6372.

Thank you for your understanding, cooperation, and continued partnership.
