Calaveras County Clerk-Recorder & Registrar of Voters

Calaveras County Elections Update

Election results were updated today. The next update will be available by 5:00 p.m. on Friday, November 6, 2026, on the Calaveras County Elections webpage. Voters can access results by searching *Calaveras County Elections* and selecting the "Election Results" icon.

There are approximately 4,500 vote-by-mail ballots remaining to be counted. These ballots were collected from official ballot drop boxes, vote centers, and the mail received on Election Day. Ballots postmarked on or before November 3, 2026, and received by November 10, 2026, will continue to be processed and counted in accordance with state law.

Voters who received a notice indicating that their ballot signature was missing or did not match the signature on file may submit a Signature Verification Statement through November 25, 2026, to ensure their ballot can be counted.

Counting every eligible ballot remains our highest priority. After all ballots have been processed and counted, the Elections Office will conduct the required post-election manual hand tally to verify the accuracy of the voting system.

The official canvass will conclude, and election results will be certified no later than December 3, 2026.

For election updates and notifications from the Elections Office, please contact us at electionsweb@calaverascounty.gov or visit the Calaveras County Elections webpage.
