### FOR IMMEDIATE RELEASE

Contact: Rebecca Turner

Calaveras County Clerk-Recorder & Registrar of Voters

The Calaveras County Elections Office has identified a printing error affecting some Voter Information Pamphlets mailed to voters with their ballots for the November 3, 2026, General Election.

Due to an error by the ballot printing vendor, the candidate statement pages were inadvertently printed using statements from the June 2026 election rather than the correct November 2026 candidate statements. The vendor has acknowledged responsibility and is working with the Elections Office to immediately reprint the affected pamphlets. Corrected pamphlets will be mailed to voters as soon as possible.

In the meantime, the correct November 2026 Voter Information Pamphlet is available at [elections.calaverasgov.us](https://elections.calaverasgov.us), including all current candidate statements and other election information.

This printing error does not affect voters' ballots or their ability to vote. The error is limited to the printed Voter Information Pamphlet.

The Elections Office apologizes for any confusion or inconvenience and appreciates voters' patience while the corrected pamphlets are being produced and distributed.

For questions, please contact the Calaveras County Elections Office at (209) 754-6376 or [electionsweb@calaverascounty.gov](mailto:electionsweb@calaverascounty.gov).
